

GWTA DESTINATION FRIENDSHIP

March & April 2009

So Ca State Director 's Words and Reports

Destination Friendship

For the months of Jan - Feb I was busy taking care of business for the Bike Day at Buckle's & Belts & the State Picnic . The State Picnic is secured for a different date which is on the Flyer which I have completed & will be in your news letters. It is also posted on changes below. I would like to thank all the GWTA Members for your support to State and Buckle & Belts on the first bike day . Hope to see you on the next one on Sunday June 7th - 2009

For February 12th I left to take my mother on a trip back home To Tex which is again called (Texas since they took the ass out of the White House and placed it back in Texas) I spent some time enjoying some good Texas Bar-B-Q while there. We had a good familey visit and a good trip.

Remember Ride a lot of miles and pre register and support our chapters and others. God Bless All. Your State Director Archie
